CONGRATULATIONS to these women and their future success!!

DREAM IT BE IT

Far too many girls face barriers on the pathway to achieving their dreams.

In 2021 our wonderful committee planned and mentored young girls over the course of 4 days.

Topics covered were career opportunities, setting and achieving goals, overcoming obstacles to success, and moving forward after setbacks or failures.

This year we plan to join SI Alhambra for their DIBI PROGRAM.

Women in History

August 10, 1993 – Ruth Bader Ginsburg is sworn in as the second woman and 107th Justice to serve on the US Supreme Court

She battled sexism in her own life and career. She juggled motherhood and caring for her cancer-stricken husband while still in law school. A role model for what every women is capable of achieving.

Message from the President

President
Christina Alatorre

On behalf of Corinne Medina and myself, as co founders we saw the opportunity to continue implementing the vision and goals of Soroptimist by chartering SI City of Commerce.

One of the many goals is to expand on the LYD Awards and DIBI Programs.

I am excited to work with our new board as we have many programs planned for this upcoming year.

We are made up of seasoned members as well as a group of younger women who are helping to propel our club with new and creative ideas.

I anticipate a very productive and exciting 2022-23!

2022 marks the 50th anniversary of the Live Your Dream: Education & Training Awards for Women®.

Even though the program has had other names since 1972—including the Training and Awards Program and the Women's Opportunity Awards—our ambition to help women create a better life for themselves and their families through access to education and training has always remained the same.
